TEMPUS - OTTIS NEW REAL ESTATE PARTNER

Our Company, Based in Qatar since 2012 and specialized in the Middle East market, keeps focusing on the internationalization of European companies around the world with a leverage on Marketing Services and Commercialization as well as Growth Capital Investments and Buyouts.

We keep offering creative clients the best possible solutions on all areas and as today we have helped thousands of companies across all geographies and sectors develop and execute winning strategies, bringing unrivaled capabilities, tools, technologies, and talent to every engagement, augmented by an ecosystem of best-of-breed international partners that provide specialized expertise.

Lately, many of our clients have requested a solution to approach the Spanish Real Estate market, and we are now happy to confirm that Tempus has signed a agreement **OTTIS REAL ESTATE**, a company that combines the areas of expertise of its principals in order to achieve the best results for our partners and clients.

OTTIS REAL ESTATE combines the legal expertise in all real estate related procedures with a proven track record of various entrepreneurial activities in the Spanish coast and a management history of finance and asset management in various companies and functions over the last 25 years. **OTTIS REAL ESTATE** identified the need for structuring and hands-on advice in all different areas of the management of assets – primarily Spanish real estate but not at all limited to it. We source investment opportunities, structure the deal flow and make sure we can close on the respective assets in price and time established.

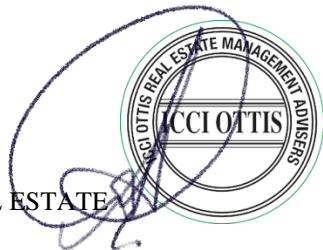

OTTIS REAL ESTATE is the real estate management services company, principally set-up to manage, service and commercialize the assets we manage on behalf of our clients and our real estate partners, is also an investment management company whose main business is focused on real estate investment opportunities in Spain, particularly the coastal areas of Andalucía.

OTTIS REAL ESTATE is dedicated to help our clients with all their needs when it comes to properties in Coastal areas of Spain. the company also has a retail Broker Business truly passionate, motivated property professionals and always ready to work hard for all of our clients, private individuals, companies or property developers and find the right property to cover the clients needs and requirements.

OTTIS REAL ESTATE makes Buying a property in Spain easy, and takes care of solving all different aspects you need to consider, delivering the best possible solutions in our experience on all needed areas, including, financing, legal, technical, etc.

If you are thinking to invest in Spain **OTTIS REAL ESTATE** is your team as your premium local property partner.
